## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

## Report for John Doe

### How You Approach Relationships

You love to communicate with other people, whether by talking, writing, gossip -- you name it. You tend to ignore all that is awkward or gauche, and stick to what is light and uplifting. You are always on the move, and are easily bored by situations. Perhaps you have an inner fear of being a lightweight, of being superficial, and spending too much time on nonessentials. You love to be drawn into really deep conversations by a partner, and staying up all night talking about life is your idea of living. Your partner tends to be the center and rock around which you base your operations.

*Sagittarius on 7th Cusp*

You like others who are educated and world-wise. You may value them for their philosophical or religious views, and may have a tendency to assume the role of a student when you are around them. You tend to use most relationships as learning experiences, and you're attracted to authority figures and partners with good common sense. You may tend toward older individuals.

*Jupiter Ruler of 7th*

You approach relationships with great caution and may even shy away from them. They are not something you are apt to take lightly. If you do enter into one, it is a very solemn business with you, even downright religious. You insist that any bond be a strong one and based on the most serious of reasons. You might just find it easier to join with God and live a religious life than to take a living partner. Not much given to flings, you may prefer to marry late or be involved in a marriage where one partner is much older than the other. Your social life may include priests, ministers, monks, and other very disciplined folks.

*Saturn in 7th House*

## Report for John Doe

### Strengths in your relationships

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

*Mars Sextile Saturn (orb: 00 45')*

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

*Venus Sextile Neptune (orb: 01 05')*

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Trine Jupiter (orb: 06 25')*

## Report for John Doe

### Challenges in your relationships

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

*Mercury Square Saturn (orb: 00 04')*

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

*Sun Square Pluto (orb: 01 01')*

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

*Sun Square Uranus (orb: 03 18')*

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

*Sun Square Jupiter (orb: 05 33')*

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

*Mars Square Jupiter (orb: 05 36')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Square Mars (orb: 06 57')*

You have a real temper and are prone to sudden outbursts. You insist on being independent, having your own way, and sometimes this is against your own best interests. You're either fast and furious, or not there at all. A gentle partner who can forgive, and most of all forget, would be a blessing. A lot of this stems from the insecurity you have concerning your emotional life.

*Mars Square Uranus (orb: 07 51')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Square Neptune (orb: 08 29')*

## Report for John Doe Your Relationship with Jane Doe

You probably felt at home with Jane right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. She feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

*Her Moon in Your Fourth House*

Meeting Jane has got to be good for you, at least for your health and personal habits. She is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. She is really able to get you to work on taking care of these kinds of details. And she cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways she is your own conscience come alive. Working hand and hand with her should take a great burden off your mind.

*Her Sun in Your Sixth House*

When the two of you get together for an intensive talk session, watch out. You love to discuss the details of work and matters relating to your health, self-improvement, and general well-being. She brings out ideas on how to improve and care for yourself. On the down side, both of you can slip into a very critical vein, especially of others. You may find yourself working together in some editorial or managerial capacity.

*Her Mercury in Your Sixth House*

Here is a natural partner, one you find both charming and attractive. Jane shares your social values and has similar needs when it comes to relationships. She values your particular social qualities and the way you relate and feel about others. You both tend to respond to situations in similar ways. Something special seems to happen when you two get together. It's as if you both are in love with love.

*Her Venus in Your Seventh House*

When all is well, the two of you manage to get a lot done, attending to all of the responsibilities that need caring for. She drives you to a greater response than you could provide on your own when it comes to taking care of business. However, if you are the least bit upset or overloaded, you may experience Jane as too much of a good thing. She may irritate you. Or you may get critical and petty with one another. The whole thing can be hard on your nerves.

*Her Mars in Your Sixth House*

The two of you relate very directly with one another. She may have led the way in this regard. There are no secrets between you. All of the superficial is quickly brushed aside, and words are not always needed between you. There is a strong passionate or sensual side to this

relationship. Jane could be an excellent business partner for you. She has good sense and a nose for what counts and is worthwhile.

*Her Jupiter in Your Eighth House*

It may be hard to get personal with Jane, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

*Her Saturn in Your Eighth House*

She may view work in a very unconventional manner, preferring to work odd hours or in a different manner when it comes to working for others. Jane always manages to find different ways to approach routine subjects. This could include alternate or new-age methods of eating, health care, exercise, and the like. She can do detail work, and is a responsible friend, but not in a 9-to-5 sort of way. She can be ever so inventive and labor-saving when it means finding an alternative to tedium and routine.

*Her Uranus in Your Sixth House*

You find Jane enchanting and are easily carried away by her eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

*Her Neptune in Your First House*

You found Jane intense and direct from the start. Here is someone you just can't ignore. This can be a very exciting relationship. You feel she can look into inner secrets and will not hesitate to challenge you. Conversations tend to be deep and turbulent. You may find yourself going through major changes through knowing her. There may be a struggle for control or power.

*Her Pluto in Your First House*

The two of you may have a strong interest in the arts, music, and film. This could be a business relationship. Your emotional rapport may have an almost otherworldly quality about it. You could be a very moving force as a team when it comes to matters pertaining to the imagination, psychology, metaphysics, etc.

*Your Mars Trine Her Neptune (orb: 03 23')*

Lovebirds! There is real mutual admiration between the two of you, and you work well together. This would hold true of a business as well as a love relationship. Essentially this is due to a sense of shared ideals and values. You appreciate the very same things in life.

*Your Venus Trine Her Venus (orb: 03 31')*

This could be a real working relationship. Jane has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

*Your Sun Sextile Her Saturn (orb: 03 44')*

There is real mutual support here. You tend to have similar emotions and are very understanding of each other's feelings. If anything there might be too much of a good thing, and you could get bogged down in the relationship. For the most part though, this is a very nice state of affairs.

*Your Moon Trine Her Moon (orb: 03 48')*

Jane is probably adept at putting some of your ambitions into words. You can see that she understands your feelings and what motivates you. This makes for many highly spirited exchanges.

*Your Mars Trine Her Mercury (orb: 04 29')*

*Your Sun Trine Her Mercury (orb: 06 40')*

This could be an excellent partnership, whether romantic or otherwise. You feel that you can really get behind Jane and push her on to new heights. Feelings run high, and there is always lots of action.

*Your Mars Trine Her Sun (orb: 09 03')*

## Report for John Doe

### Challenges in your relationship with Jane Doe

You never know what to expect with Jane. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

*Your Sun Square Her Uranus (orb: 00 34')*

You may tend to ignore Jane's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very hot. There may be some hard feelings between you.

*Your Sun Square Her Mars (orb: 01 11')*

She may feel that you pooh-pooh her fears and worries. Her own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep her little confrontations. There could be a bit of a power struggle, complete with explosions.

*Your Sun Square Her Pluto (orb: 02 34')*

Problems could arise from Jane's feeling that you have no sympathy for her dreams and ideals -- her more imaginative side. Perhaps you just refuse to discuss these aspects of life with her. Whatever happens, it makes for some disappointing situations. You may not be able to think clearly when you are together.

*Your Mercury Square Her Neptune (orb: 02 34')*

She doesn't appreciate the way your mind works. Your words are wasted on her. You may find yourself being mentally critical of her ideals and sense of values. She doesn't like the way you think.

*Your Mercury Square Her Venus (orb: 04 58')*

A basic lack of communication, particularly regarding Jane's career decisions. She tends to go against your way of thinking, or you refuse to talk about this subject with her. It may be difficult to communicate.

*Your Mercury Square Her Jupiter (orb: 06 00')*

You find that it is easy for you to hurt her feelings, or she takes offense easily, with the result that she is not always as supportive of you as you might wish. You both waste a lot of time holding out against the other. You may feel that she ignores you.

*Your Sun Opposition Her Moon (orb: 08 06')*

It's no secret that you and Jane can have communication problems. You may find her lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub her the wrong way too. They are contrary to the way she feels about things, and she finds it difficult to be encouraging at times.

*Your Mercury Opposition Her Moon (orb: 09 57')*

### How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

*Cancer on 7th Cusp*

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

*Moon Ruler of 7th*

## Report for Jane Doe

### Strengths in your relationships

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Sextile Jupiter (orb: 00 43')*

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

*Sun Sextile Saturn (orb: 01 38')*

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

*Mars Conjunction Uranus (orb: 01 45')*

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

*Mercury Sextile Saturn (orb: 02 56')*

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

*Sun Sextile Jupiter (orb: 03 52')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Sun Conjunction Mercury (orb: 04 35')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the

deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Trine Neptune (orb: 07 51')*

## Report for Jane Doe

### Challenges in your relationships

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

*Mars Opposition Pluto (orb: 01 23')*

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

*Venus Opposition Neptune (orb: 02 24')*

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

*Moon Square Venus (orb: 04 59')*

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

*Moon Square Pluto (orb: 05 32')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Square Mars (orb: 06 55')*

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it

escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

*Moon Square Neptune (orb: 07 23')*

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

*Moon Square Uranus (orb: 08 40')*

## Report for Jane Doe Your Relationship with John Doe

You probably felt at home with John right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. He feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

*His Moon in Your Fourth House*

John is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting him, you felt an instant trust and enjoyed a rare sense of security. He responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! he may have a beneficial effect on your finances and resources too. He has a real instinct for handling money. In addition, other financial benefits may come to you through John.

*His Sun in Your Second House*

He is a talker, and you're no slouch yourself. When the two of you get together there is little room for anyone else in the conversation. You both connected intellectually and mentally from the very beginning and seem to have a world of things to discuss. When you can't get together, you may talk on the phone or write voluminous letters to one another. Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

*His Mercury in Your Third House*

Here is a real admirer of your mind and mental qualities. Above all he loves to share ideas with you, whether by phone, letter, or in person. There is endless chatter when you two get together. This relationship could find you waxing very eloquent and becoming downright creative. You might feel that your ideas and thoughts are worth writing down after being with him. He probably laughs at all your jokes and even dotes on the poetry you write.

*His Venus in Your Third House*

John could be a positive asset when it comes to business and financial concerns. He can provide drive and may push you to improve yourself, make more money, etc. There is incentive here for you to respond to whatever opportunities may be latent in your situation. You may become more active in this regard as a result of this relationship. Money and possessions get a boost. The relationship may involve some jealousy and possessiveness.

*His Mars in Your Second House*

He is a very social being and may be the key to your making friends in the community or within a particular group. His high ideals and selflessness guide you in your own behavior. He could introduce you to political or social values that are uplifting. The two of you share dreams and ambitions. He can show you how to put these ideas to work. A good friend.

*His Jupiter in Your Eleventh House*

He seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by him. He won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

*His Saturn in Your Twelfth House*

John has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

*His Uranus in Your Eleventh House*

If this is anything else but a brief philosophic or artistic tryst, you may have to take some preventative measure. John tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and he may not be the first one to suggest it. He may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

*His Neptune in Your Sixth House*

This is a very volatile and passionate combination. You find that John challenges the way you express and feel about yourself. The two of you may get locked in a power struggle for control. Things are seldom dull. With his help, you may go through a transformation that leaves you feeling ever so much more creative and confident. You could be able to shed a lot of uptightness and repressed habits.

*His Pluto in Your Fifth House*

Lovebirds! There is real mutual admiration between the two of you, and you work well together. This would hold true of a business as well as a love relationship. Essentially this is due to a sense of shared ideals and values. You appreciate the very same things in life.

*Your Venus Trine His Venus (orb: 03 31')*

There is real mutual support here. You tend to have similar emotions and are very understanding of each other's feelings. If anything there might be too much of a good thing, and you could get bogged down in the relationship. For the most part though, this is a very nice state of affairs.

*Your Moon Trine His Moon (orb: 03 48')*

He is a real driving wheel for you when it comes to your writing and speaking skills. He can push you to be more articulate, even eloquent, than would otherwise be the case. Conversations with John are always wordy and animated, at least from your end. You may find it easy to put his feelings into words.

*Your Mercury Trine His Mars (orb: 04 29')*

John Doe always seems to come up with a new feeling for life when you get behind him. You seem to push him to break through the humdrum and have new experiences. You understand how to move him to get out of himself and experience new things.

*Your Mars Conjunction His Uranus (orb: 04 29')*

You have a natural appreciation for his problems and are probably very understanding with him. You may love his sense of organization and self-discipline. You may be a trifle undemonstrative when you are around him, a little too sober perhaps.

*Your Venus Conjunction His Saturn (orb: 05 02')*

You find it easy to talk to (sometimes at) John, and you think about him a lot. He encourages you mentally, and may support some communication project you are involved in -- speaking, writing, etc.

*Your Mercury Trine His Sun (orb: 06 40')*

This might turn out to be a great working (business) relationship. You have no trouble getting behind him, and can urge him to greater success. There is a natural sense of harmony and flow to the relationship.

*Your Mars Conjunction His Jupiter (orb: 06 44')*

You understand his emotions and like the way John feels about life. He can really move you to take action and accomplish things. There could be a shared love of sports, even a competitive feeling. This could be a long and romantic relationship.

## Report for Jane Doe

### Challenges in your relationship with John Doe

You won't support what you feel are unrealistic notions and fantasies on his part. His escapism does nothing for you. You feel he should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

*Your Mars Opposition His Neptune (orb: 07 18')*

You may not feel very supportive of John, and he may not be able to depend on you as much as he would like. He seems to go against your feelings more than a little, and this could lead to many a confrontation.

*Your Moon Opposition His Sun (orb: 08 06')*
